DECISION ON PETITION TO
WITHDRAW THE HOLDING
OF ABANDONMENT

This is a decision on the petition filed on September 02, 2003 to withdraw the holding of abandonment of the above-identified application under 37 C.F.R. § 1.181(a).

The petition is **GRANTED**.

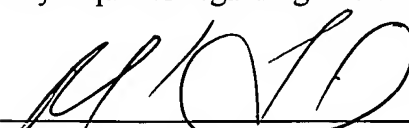

On April 10, 2003, a Notice of Allowance and Fee(s) Due was mailed indicating that the issue fee and publication fee were due on July 10, 2003. On August 19, 2003, a Notice of Abandonment was mailed indicating that the application was abandoned due to applicant's failure to timely pay the required issue fee.

A review of Office records indicates that a Request for Continued Examination (RCE), an amendment and an Information Disclosure Statement (IDS) were timely filed on June 20, 2003 before the due date of the issue fee and publication fee. In addition, credit card payments for the fees associated with the RCE and amendment were received and posted on June 23, 2005.

It is clear that there was no abandonment in fact. The Notice of Abandonment mailed August 19, 2003 is hereby **VACATED** and the holding of abandonment is withdrawn.

The application file is being forwarded to the Technology Center 2800 support staff for completing the processing of the RCE and for entry of the amendment. The application file will then be forwarded to the examiner for prompt appropriate action.

Any inquiries regarding this decision should be directed to Edward Westin at (571) 272-1638.
